

Dear Citizens,

Your name is one among several hundred names of Negroes, who have been denied registration as a Voter by the Board of Registrars of Montgomery County. We have information from a reliable source that these persons who have been denied registration will be added to the list of Voters without having to apply again to the Board of Registrars.

I am informing each person whose name appears on this list and urging each one to pay his or her poll tax. If your age is between 21 and 45 and are not otherwise exempted, you must pay.

The dead line for paying poll tax is February 1, 1962. If you fail to pay, you will not be eligible to vote in the incoming elections.

Your vote needed----PAY YOUR TAX!!!

Yours truly,

Rufus A. Lewis
