Tests Called For Week

By D. HAROLD OLIVER

WASHINGTON, April 8 - (d)

The Republican Party today in yited women for the first time to help frame its national platform as politicians, awaited next weeks selections in time States of 142 more G. O. P. delegates to see whether Gov. Thomas E. Dewey's big lead for the presidential nomination takes another sport.

A special committee appointed by National Chairman Harrison E. Spangler recommended that State delegation to the national convention name one man and one woman for membership on the platform-writing resultions committee. The special committee meeting last January.

The plan is subject to convention approval, but Spangler as the plans to call the resolutions group to meet internally before the convention approval, but Spangler as the plans to call the resolutions group to meet internally before the convention may provide that the plans to call the resolutions group to meet internally before the convention may provide the cases. The firm who said that the plans to call the resolutions group to meet internally before the convention meeting the plans to call the resolutions group to meet internally before the convention meeting the plans to call the resolutions group to meet internally before the convention and the present the meaning the plans to call the resolutions group to meet internally before the convention and the present that the plans to call the resolutions group to meet internally before the convention and the provided that the plans to call the resolutions group to meet internally before the convention and the present the plans to call the resolutions group to meet internally the plans to call the resolutions group to meet internally the plans to call the resolutions group to meet internally the plans to call the resolutions group to meet internally the plans to call the resolutions group to meet internally the plans to call the plans to call the resolutions group to meet internally the plans to call the plans to call the plans to call the plans to

the resolutions group to meet in formally before the convention opens in Chicago June 26.

Next week will see delegate picking on a large scale in both parties. There will be selections every day except Monday, with Democrats maning 154 in six States while the Republicans are choosing their 142.

Bombers Blast Brunswick

Plants Burn

In Bitter Fight 59 Planes

LONDON, April 8 - (4) --American acrial fleets totaling about 1,500 planes surged over formany today, with U. S. heavy bombers ripping two already-battered aircraft plants at Brunswick and live airdnomes north of the Ruhr white American lighters shot down 92 German planes and destroyed and dawn a g ed many others on the ground,

From all the day's operations, which included an attack on the Belgian rail center of Hasselt and sweeps by Thunderbolts and Lightnings against airdrombs in the Franklurt area, 34 U. S. bombers and 25 fighters are missing, an Army communique said.

No fighter opposition was encountered over the airdromes/as the German air force confecutated its interceptors for a description of the Brusselt and the Brusse Germany today, with U. S. heavy

the German air lotte concer-trated its interceptors for 2a des-perate defense of the Bainswick targets, where the war/bulletins and the U. S. Flying Fortresses and Liberators bombed their ob-jectives "visually with good re-sults."

Bitter sir battles raged over Brunswick and along the return toute. Eccoting American figh-ers there destroyed Bl enemy air-craft, Thirty of the missing bomb-ers were lost in the Brunswick

Returns Not All in No tabulation yet has been made on the number of German sireraft to fall before the guns of the heavy bombers. Nearly 1,000 American Flying Fortresses, Lib-craturs and medium Marauders participated in the widespread at-

The shiftomes which were stracked north of the Ruhi were Oldenburg, a base for angle engine German fighters; Blushe, a night fighter depot; Quackenburch, an air repairs depot; Achmun, an air repairs depot, and Handorf, a storage and repair depot. The autounized purpose of the Brunswick attack was to disrube reconstruction work the Germans had been doing at the involvant of the proposition o

ier whose factories had been damisged in previous saids this year.
The Nazis probably feared the
beavy bombers were heading for
Berlin which is one possible reason why they put up such a stubborn defense over Brunswyck.
The German radio asserted the
Americans suffered "one of the
heaviest defeats," and that the
hombers were trying to attack
Berlin.

Berlin.

Other Areas Pounded

The rest of the fleet of 500 to 750 four-engined hombers belted German fighter fields in Northsestern Germany.

Some 200 medium Marauders of the fighter-bombers of tighter-bombers.

Some 200 medium Marauders and Thunderbolt fighter-hombers teamed up for the first time to strike the Belgian rail center of Hasselt, important junction on the Antwerp-Maastricht-Aachen line, and other Thunderbolts escotted Marauders hitting the Coxyde articled on the Belgian roast. All the mediums returned With their Lightning, Mustang and Thunderbolt escorts, the American attack fleets probably totalled about 1,500 planes. Indications that Alhed planes possibly were over Nazi domantated Europe tonight came from interesting the content of t

U. S. Fighters And British-Indian Army Beats Off Jap Before Imphal Base

Smash Into One Enemy Strong Point North Of Base; Nips Abandon Second Under Fire

NEW DELIII, April 8.—(4)—
Allied forces batting the Japanese invasion of India have through the enemy out of one with position dominating the plain of Imphal in the north, occupied another one which was abandoned and otherwise improved their positions in the area, the Southeast Asia Command announced today.

Although the location of these successes was not given specifically it was apparent the Japanese had encountered strending ones opposition in their relevant area was of a "prowling" nature, it was said here.

Mile Advance

Support Of Rooseveltian Anzio Beachhead Sector With Battle; Flures Planes Strafe Nazis

ALLIED HEADQUARTERS, NAPLES, April 8.-(A)-An American combat patrol blasts ing its way forward with hand grenades into an improved position northwest of Padiglione on the Anxio beachlead gave the Altied hattlefront forces their first gain in about two weeks, and provided the first really, pleas-ant news from that shell-swept

movided the first really, pleas, and news from that shell-swept area in many days.

There was no tendency here to place undue significance on this action, which was merely a local improvement of position, but it was the first successfully, aggressive Allied ground action since the great attack upon Cassino to the west bogged down in failure. Allied airmen continued hamering at Nazi supply lines, flying 1,700 sorties Friday and downing 31 enemy airplanes. Padiglione is in the central sector of the beachead.

Reyond this encounter, there was little important activity on the sam-bathed Italian front. The Germans showed no signs of moving from their defensive positions, and patrots moved back and forth between the two lines from the Adriatic to the beach-

Occasional shells kicked up the Occasional shells kicked up the dust in Cassino, and there was considerable shelling along the Garighano River. Guns dueled also on the Anzio beachhead. Headquarters disclosed that the German 7th Air Force bat-talion had returned to action on the headbard. This unit com-

talion had returned to action on the beachhead. This unit, coin posed of military offenders given the chance to redeem themselves as ground troops, once was 328 strong, and received 80 replacements, but mow numbers only 200 through casualties.

A British destroyer fired on Nazi beachhead positions last Tuesday, and the next night U. S. and British light coastal craft wank a German E-boat and damignation on a 10 (Turn to Page 15)
