Let's Ponder This . . .

Statistically Speaking

Population Balance Sheet

Population of U. S.....	175,000,000
Population over age 65	57,300,000
People left to work	117,700,000
People under age 21	64,700,000
People left to work	53,000,000
Government employees	24,000,000
People left to work	29,000,000
People in armed forces	12,000,000
People left to work	17,000,000
City and state workers	16,800,000
People left to work	200,000
Insane and in hospitals	126,000
People left to work	74,000
Bums and drunks	62,000
People left to work	12,000
In jails and prisons	11,998

People left to get voters registered *2
*These two people are you and I. So let's get busy because time is growing short and we've got to get 10,000 more voters on the rolls before February 1960.
