Mrs. Jeter,

I am leaving this list of forty-four young ladies, all of whom are interested in getting registered to vote.

All of them live on the College Campus in Abercrombie Hall. You or Mr. Lewis go there and ask this woman to permit you to speak with these

girls. They are all 21 and over. Take one of the questionnaires to leave for them to study, or invite them to your clinic. Ruby Pruitt who lives in Abercrombie brought this list to me.

Thanks for your service
Mr. Wilson
