Mrs. Smiley Tells Of Trip

Mrs. Mary Jo Smiley, local educator and civic worker, who represented the Montgomery Democratic Council at the National Conference of Democratic Women in Washington, D.C., made a report to the local Council this week during a special session.

Mrs. Smiley's report showed that the response to President Johnson's call was overwhelming and most encouraging to the National Democratic party. She said the President extended personal greetings to the body and laid stress on three vital points, poverty, medical and minimum wages.

The call for "Four for 64," a new slogan was enacted. It became a part of the daily schedule while at the meeting, and continues now with rapidity, stated Mrs. Smiley. She also explained the significance of the slogan.

The register showed 3,350 women attended from every part of the nation. They were challenged to return home and help perpetuate the Democratic party, concluded Mrs. Smiley.

Rufus A. Lewis, local leader for the Montgomery Council has called a meeting for 3 p.m. Sunday, to be held at the Metropolitan Methodist Church on W. Jeff Davis. Further observations on the Washington meeting will be made.
