Dear Mr. Stevens:

This is in response to your letter dated August 1, 2006, requesting information in regards to Montgomery Teachers Federal Credit Union.

The following are the answers to your questions:

- The date that the original charter was signed.

Our records indicate that the original charter was signed April 8, 1961.

- The date that the charter was amended to admit the Alabama Industrial School at Mt. Meigs, Alabama into the field of membership.

Our records indicate the Alabama Industrial School was placed into the field of membership on November 13, 1970.

- The date the charter was amended to admit the H. Council Trenholm Technical College of Montgomery, Alabama into the field of membership.

Our records show that Montgomery Teachers Federal Credit Union's field of membership (FOM) has H. Council Trenholm State Trade School but not H. Council Trenholm Technical College. This school was put into Montgomery Teachers FCU's FOM on November 13, 1970.

If we can be of further assistance, please let us know.

Sincerely,

Alonzo A. Swann III
Regional Director
