

GET OUT THE VOTE CAMPAIGN

Telephone and personal contact committee

It is very important that every eligible voter take an active part in this election. Note the following suggestions:

SIMPLE RULES:

1. Each committee member will call or visit at least ten persons.
2. Be friendly, brief, and never argue.
3. Be sure you know the name of the person you are contacting.

WHAT TO SAY:

This might be a good typical approach:

CALLER: Hello! Is this Mrs. Smith? This is Mrs. Dorothy Jones. I

am a neighbor of yours and a member of the registering and voting committee. A group of us has gotten together to help get out the vote.

You are a voter aren't you? Do you plan to vote on May 31, 1960? A suggested ballot will be mailed to you a day before the election. Will you need transportation to the polls or a baby sitter? If so, at what time? Be sure to vote, etc.

PLEASE CHECK EACH NAME TO SEE IF THE ADDRESS AND TELEPHONE NUMBERS ARE CORRECT.

CHECK TO FIND OUT IF THE PERSON HAS ADDRESS OR HAS DECEASED. IF SO, MAKE NOTE.

MAKE YOUR FIRST TELEPHONE CALL OR PERSONAL VISIT SEVERAL DAYS BEFORE THE ELECTION.

CALL OR VISIT EACH VOTER THE DAY BEFORE OR THE DAY OF THE ELECTION AND BE SURE THAT YOUR VOTERS V O T E.
