FROM: A. B. McFerrin, President, United Appeal

SUBJECT: Recognition of Achievement

Regarding my recent letter to you, it is a pleasure to report that I have had many fine compliments regarding the remarkable service Mrs. Dorothy Altheimer has rendered to her church and community.

Therefore, I do hope you will be present at a gathering of friends to commend her Monday, May 20, 4:30 P.M., at the Central Alabama Rehabilitation Center.

This will not be a long affair since our presence will be far more meaningful than any talking we may do.
