"OUR KIND OF TOWN"

**A special gala of top name entertainers —
at the world famous Auditorium Theatre**

August 26, 27, 28th

Mayor and Mrs. Richard J. Daley and the Chicago Convention Host Committee have arranged three nights of outstanding performance for your enjoyment at the world famous Auditorium Theatre.

Invitations to these spectacular performances have been addressed to you and delivered to your hotels or to your delegation chairman. If there are any questions, please check with the Convention Host Committee Information Booth located in your hotel lobby.

Even though the Auditorium is one of the largest theatres in the world, each performance will be heavily attended and we, therefore, can not guarantee admission to all. For this reason your invitation must be presented at the Auditorium, and we suggest you arrive early
