Dearest Sweet Heart,

I Am writing you because
I love you
Even though you dont love me but
I love and care for you just the
same

my Lewis darling I cant make you
Love me and I am not going to try
I can only hope and pray to my god
Up in heaven that the day will
come when you will learn to
Love and care for me
I often wonder why god sent you
Here but that not for me to know

my Lewis darling I hope that you
Dont think that I am a Bad wife
Because I want to go with you
But I've prayed & prayed to god
With tears in my eyes telling
Him How much that I love and
Care for you Asking him to
Keep me if it His Will

nearly 5 years I've Been in love
with you Hoping & praying to god
That you will love me to
