Dear Rufus,

I won't start off by
asking how things are with
you, because, I understand
that all is well. We are
fine here. So get to the

point I understand you have
sold that property. So I'm
expecting my share - and Margie
the same. I would not have
signed these papers except that
Sissy Ruth said that you would
do the right thing and give every-
one his share. Expecting to hear
from you immediately.
Love Lula.
