

Birthday Blessing for You

W

hat's just right to wish a friend
On such a special day . . .
Happiness and heart's content
All along life's way ?

T

he chance to lend a helping hand
To other folks you meet . . .
A sense of real accomplishment
That makes each day complete ? . . .

American Greetings®
Made in W. Germany

The happiness of seeing
Many cherished dreams come true . . .
The joy that comes with finding friends
Who think the world of you ?

I'll wish you all of these and add
A prayer that you will be
Blessed with joys to equal those
Your friendships brought to me
