

GIRLS' BASKETBALL
TOURNAMENT RULES
1972

1. Senior Teams play first followed by the Junior Teams.
2. Ninth grade girls must play on the Senior Team. Seventh and eighth grade girls may play on the Senior Team. Girls may move from the Junior Team to the Senior Team after the tournament starts but no Senior Team player may move back to the Junior Team. Once a Junior Team player enters a game as a Senior Team player, no matter what the reason or for how short a time, she must finish the season on the Senior Team.
3. Coaches may not enter the court or address an official or an opponent while play is in progress (Rule 10, Sec. 2, f and g)
4. By your vote (1971), coaches are restricted to the players' bench or the scorers' table.
5. We will play five-man basketball as outlined in the new rule book or the experimental rules in the old book with the following exceptions:
 - A. Rule 5, Sec. 2, a should read Six minute quarters instead of eight minute quarters
 - B. Rule 5, Sec. 2, c should read Five minute intermission between halves instead of ten minute intermission
 - C. Rule 2, Sec. 5 (30-second clock operator) WILL NOT BE USED.
 - D. At 6:00p.m. the game is officially over. The team who is ahead will be declared the winner. In the event of a tie at 6:00, follow the procedure outlined in Rule 5, Sec. 3 Tie Game.
6. Please be sure that your scorers know the proper way to keep a scorebook. The points recorded by each players' name are the official points and not the running score. Should there be a discrepancy between the running score and the number of points recorded by the players' name, I count the points by the names. Only one scorebook should be kept on the scorers' table while the game is in progress and that shall be the scorebook of the home team. Each team supplies one scorer for each game.
7. First and last names must be entered in the scorebook.
