

Goode Street Park and Recreation monthly report. Monthly report
from December 1, 31 outside .

1. Basketball
2. Touchball
3. Softball

One of the nice game we have had, Outside Basketball tournament
at Goode Street. We have had as follow below;

1. Pool games
2. Bingo games
3. Crocket

One of the fatest game the children love to play is carrom. The
children love to play on the Hoppity-Hopp and coloring books.

A few of the parents help me to give the children a bag of goodies
for Christmas.

Mr. Samuel Webb
Park Director

Monthly Report

Kiwanis Park

(January, 1972)

This month, we are focusing on the community's interest in the recreational program. We have designed several activities to involve the community, such as; Pony League Basketball teams, Kick Ball teams for girls, and organized games for the smaller children.

The Pony League Basketball teams will consist of boys ranging from ages 12 - 15. These teams will primarily be for youth who could not make the Junior High School teams. We will confer with other directors from other parks and consider starting teams from their area also.

We are still having supervised games for the Head Start groups. They visit the park during their activity period or recess period. This gives the children a chance to do activities different from the regular routine. When the weather prevents their visits, designated people will go and supervise indoor games and other activities.

Richard L. Moncrief,

Director

Highland Gardens Community Center and playground for Dec.

Activities	Average No. Participating
Tues. 3:15-4:30 Arts & Crafts	40

Minor sports available:

Volley Ball, Badminton, Newcombe

Softball

Kickball

Small Children:

Group Games, Arts, Guidance in play on equipment.

Monthly Report

Newtown Recreational Center

The scheduled games and activities for the month of January that will take place at the Newtown playground will be much like those planned for last month because we are still limited to outdoor play.

In the mornings when weather permits, the Neighborhood, Head Start uses the playground during their play period. We also play "ring" games, basketball and kickball.

Activities for the older children will consist of a variety of outdoor games such as: organized basketball, touch football, volleyball, kickball, badminton and horse shoe throwing.

In order to expand our recreational service to the community we are in the process of organizing a Boy's Scout Club, consisting of boys from ages 8-14. The first meeting was held Wednesday, December 15th for organizational purposes.

The response was very satisfactory, and we are eager to get the program in action. Several young men in the community are working with it.

Willie D. Harris
Director:

Cloverdale Community Center

January 11, 1971

During the month of December, 1971, my duties consisted of the following:

Received birth certificates of all boys playing Jr. Hi Basketball to establish their eligibility.

Supervised all Christmas Basketball Tournaments

Took an inventory of all athletic equipment in each of our areas.

Attended all staff meetings and all special called board meetings.

I have read and agree with the Board on the organizational structure of the Parks and Recreation Department.

Respectfully submitted:

Lynn Bozeman, Supervisor
