Dear Mr. Lewis:

Persuant to our conversation concerning the use of the Citizen's Club by Southern Pride Lodge #431. The exact time it will be needed as well as the length of time will depend on the contractors who as yet do not have the blue prints. Their opinion as to time will also depend on the weather. We are going to try to finish in 2 - 2½ months.

I sent a committee to inspect the building and certain repairs were needed which they informed me would be taken care of by you.

Please indicate your rental price per month so I can inform my lodge.

Very truly yours,

Moses W. Jones M. D.
