In Re: Henry Givens, et ux, et al to Bloedel Forest, Inc.
Montgomery County, 30 acres

Dear Mr. Lewis:

Reference is made to our several recent telephone conversations and your conference with Mr. Givens of earlier today.

As you know, you hold a first mortgage lien on the subject acreage, as well as 30 additional acres owned by the Givens family. I shall very much appreciate your furnishing us with either:

1. A payoff figure good for the total mortgage indebtedness, thus freeing the entire 60-acre tract from your lien, or
2. The sum for which you would release this tract, leaving you with a mortgage interest in the remaining 30 acres.

It will be approximately 30 to 60 days before the transaction can be completed as we must petition the Montgomery County Probate Court to appoint Mr. Givens as legal guardian of his 13 year old daughter, Linda Fay. However, we do need the figure (or figures) at your earliest convenience so we may prepare an appropriate release or power of attorney to satisfy the mortgage for your signature. Of course, we will not ask you to execute any paperwork until you are paid.

With kind regards and best wishes, we are,

Sincerely yours,

JACKSON & SIKES, P. C.
