In addition, all such clubs must furnish to the ABC Board, by the fifteenth day of each month, a duly certified, true, and correct statement listing the names, correct individual personal home mailing addresses of each and every person employed by such club, during the preceding month, along with a statement of the gross amount of salary, wages, commissions, and other remuneration, received by each said individual person during the month from the operation of said club.

All the various foregoing certified reports and lists required, are to be signed by the president and secretary of such club, and are to be duly acknowledged and certified both by such president and secretary as being true, correct, and complete, and such acknowledgments and certifications are to be duly made under oath before a notary public or other officer authorized by law to administer oaths, which said notary or other officer taking said acknowledgment, must certify same.
