MEMO TO: Plaintiffs in Redistricting Case

FROM: Morris Dees

SUBJECT: Your affidavit to prove your race, voting registration, and place of residence.

Please sign the enclosed affidavit, have it notarized, and return it to me immediately. I need your affidavit in my hands no later than February 23. This affidavit is needed for the trial on February 25.

The term "Predominately Negro Ghetto Area" was used to describe large areas in the Negro community with low income, poor housing, etc. You may have high income and good housing but unless you live in an all white neighborhood, your residence has been grouped in with the entire Negro community as a whole.

Please use the enclosed stamped envelope to return your affidavit.
